

Fall 2020 Newsletter

940-767-3303 www.KMOCfm.com PO Box 41, Wichita Falls, TX 76307

We are sharing Jeff Baker's testimony of how KMOC has impacted his life over the years. Jeff has been an active volunteer and supporter for many years, but it was only recently that I heard just how much KMOC has meant to Jeff and his family. To hear stories such as Jeff's, which is featured in this newsletter, is always a powerful reminder that we serve a mighty God.

Your support of KMOC is a vital link to testimonies such as Jeff's. Your financial gifts to KMOC enable the Message of Jesus Christ to continue filling the airwaves across Texoma on 89.5 FM, and around the world through streaming and the KMOC Apps.

Every song...every message...every comment that makes it's way beyond the ears and into the hearts of those listening is tied directly to your gifts. Your giving, both prayerful and financial, helps to sow the seeds of the Gospel. Sometimes plowing the hard ground, sometimes planting the seed, sometimes watering the seed that's already been planted, sometimes the angel rejoicing harvest of one more soul in the Kingdom.

It's God who gives the increase, but He clearly desires to partner with us in accomplishing His goals. Here at KMOC we want to partner with you as we continue to broadcast the good news of Jesus Christ and Him crucified from right here in Texoma.

At any given moment a life can be touched for an eternity through the ministry of KMOC...and that moment is made possible by the continued gifts and prayers of believers just like you.

Locally owned, locally programmed and locally operated. We depend on local support from folks just like you.

KMOC's Fall Fundraiser will take place Oct 6th through the 9th. I'm asking you to fill out the enclosed card with your best gift. If you haven't made the commitment to support KMOC on a regular or monthly basis, I'm asking you to do so right now.

Please, fill out and return the card today.

Changing Lives Testimony from a Listener

Long time KMOC listener, supporter and volunteer, Jeff Baker of Wichita Falls sat down with us and shared how KMOC has helped him in his walk with God. "KMOC played such a huge part in helping me grow in my walk with God. You see, I used to drive a truck for a trash company and one day I made the decision to switch my radio to 89.5. It just happened to be on the day they were starting a series titled "The life of Christ". Over the next few months I received a lot of New Testament teachings and it really broke it down so I could understand".

Jeff has volunteered his time by working concerts, mail drives and more. Most recently Jeff became a part of the Team KMOC cycling team. This was Jeff's first year to cycle. He paired up with Wichita Falls Faith Mission's CEO, Steve Sparks and rode nearly 30 miles! "I get to help support an AWESOME Ministry", Jeff shared as he was preparing for the big ride. "I'm making a promise to pedal until my legs stop to help KMOC out!"

Jeff has joined Wichita Falls Faith Mission in ministry this year as their Site Director and it's been a true blessing for him to minister alongside the great folks there at Faith Mission.

Jeff and his wife, Lolita, also a KMOC Volunteer, have 2 girls, Ilanna and Ilyssa. They are long time members and super active as well in ministry at Evangel Church in Wichita Falls.

Jeff goes on to share that "KMOC is always available with a time sensitive message from God for me. I firmly believe that God speaks to me through the ministry of KMOC. Whether it is an uplifting song at the end of a rough day, or a message from one of the many teachers that are aired in the mornings to get my day started right, there is encouragement anytime of the day."

The Samaritan's Purse project Operation Christmas Child collects shoeboxes filled with fun toys, school supplies and hygiene items, and delivers the gifts to children in need around the world. For many of these children, the gift-filled shoebox is the first gift they have ever received. Bring your shoeboxes to the studios of KMOC during Collection Week, November 16-23, 2020.
