"...at just the right moment..."

We have heard this statement, with many variations, over the years. We've heard it from mothers who are overwhelmed; students who are stressed with grades, time demands, and relationships; prisoners who are fearful and feel forgotten; the business man or woman who's life looks perfect, but are struggling with secret addictions; the pastor who is stretched to the breaking point with no-one to confide in; and on and on. Even an instance where a person felt so lost and abandoned that they literally had a gun in their mouth when then they heard a verse on KMOC "at just the right moment".

We don't know what others are dealing with on any given day. Maybe today you're in crisis. Being reminded that God does indeed love us, and that He has provided Redemption, Peace, and a way when there seems to be no way, can free any of us when it comes "at just the right moment". We don't determine the moment...God does.

KMOC continues to be there for those moments because of the faithful support of listeners like you. Thank you! Thank you for what you do. Thank You for who you are.

Now is not the time to ease up or give in. Now is the time to press in and hold fast. If you haven't already, become a monthly supporter today, or send a one time gift, by using the card and envelope provided. Online go to KMOCFM.com.

Angel Tree is a ministry that reaches out with the love of Jesus Christ to the children of inmates and their families who live right here in Texoma.

We seek to transform the lives of these families and to reconcile them to their Heavenly Father and each other. Beginning November 13, 2023, you can come by the studios of KMOC and pick an Angel off the tree! The deadline to return the gifts is December 8.

Each gift presents an opportunity to share the love and hope of Jesus with each family. For more information, visit our website at www.KMOCfm.com or call us at 767-3303.
