# It's Spring!

*We call our spring fundraiser 'CONNECT' because connections are important. Whether it's connecting with your friends and loved ones, or connecting with your local church and other ministries that offer the hope and encouragement provided by our Lord Jesus Christ.*

*Your connection financially with KMOC is by far the most important way funding is raised for the ongoing daily broadcast ministry that we partner together in accomplishing.*

*The goal for 'CONNECT '25' is \$30,000. And it will only be reached when each of us 'connect' with the portion we're able to provide. The on-air portion of CONNECT '25' takes place the last week of March...the 26th through the 28th.*

*Connections loosen, and even disappear, when they are ignored or taken for granted. I'm asking you to keep the connection between us strong with your best gift now...at [KMOCFM.COM](http://KMOCFM.COM).*

Thank You,

**Keith Sanderson**

# VOLUNTEERS OF THE YEAR

## Phil & Lisa Patterson

Phil & Lisa Patterson volunteer in numerous capacities here at KMOC, including Phil serving as the Chairman of the Board of Directors. Lisa is always willing and able to help with the office finances and they both sponsor and volunteer at our annual Minister Appreciation Luncheon. Phil & Lisa attend First Baptist Church Wichita Falls where Phil serves in the area of hospitality as a door greeter as well as a Life Group teacher and Lisa is a part of their amazing choir. Phil and Lisa are Business Partners here at KMOC and want to always remind you to Read Your Bible, Read Your Bible....read it for what it says, read it for what it means, and read it for what it means to you.

## Larry & Carol Schmeltzer

Larry and Carol Schmeltzer call Wichita Falls home since the USAF brought them here 32 years ago. Both are retired now and spend time with volunteer work, serving their church, exercising and enjoying various hobbies. They love visiting Colorado and Tennessee where their 2 married children and 5 grandsons live.
